

# BEDFORD

Specialty Sales

Bedford Specialty Sales is honored to be officially designated as a Women-Owned Small Business (WOSB) under the SBA and proud to announce our renewal of the Women's business Enterprise National Council (WBENC) certification. A proud member of the WBENC since 2014, Bedford is excited to work with companies that share our commitments to diversity and inclusion. Companies that have the need or desire to diversify their supply chain and partnerships can now utilize Bedford to fulfill those diversity requirements.

The **WBENC certification** validates that Bedford is over 51% owned, controlled, operated, and managed by a woman and requires extensive documentation and interviews to obtain. It is accepted by more than 1,000 corporations representing America's most prestigious brands, in addition to many states, cities, and other entities.

Bedford is a full-line chemical distributor based in Shirley, MA whose focus is on technical sales and service. Our customer experience goes beyond the typical distributor, we strive to be a partner in your success through every step in the sourcing and procurement process. Bedford's mission is to provide our customers with solutions for the future, and these challenging market conditions have allowed Bedford to exhibit our true capabilities as a strategic sourcing partner. We continue to create sustainable partnerships worldwide by providing innovative and competitive sourcing solutions. Our success is based on the ethics and ingenuity of our team and the extensive industry relationships that we have developed over our 24-year history.

In addition to our WBENC and SBA WOSB certifications, Bedford is an active member of the National Association of Chemical Distributors (NACD), where President Amanda Bagley has served on the organizations regional and National Board of Directors for several years.
